

The background of the page is a blurred photograph of a computer keyboard. The keys are out of focus, but some characters like 'L', 'U', and 'T' are faintly visible. A dark blue rectangular area is overlaid on the left side of the page, containing white text. At the top of this area is a solid orange horizontal bar.

Quick guide:

Deploying WordPress on IBM i using Zend Server

Part of the PHP on IBM i series

Deploying WordPress on IBM i using Zend Server

Started in 2003, WordPress has become the 'largest self-hosted blogging tool in the world, used on millions of sites and seen by tens of millions of people every day'.

- Log into the Zend Server console
